

Mobile Bar Hire

.....

We understand that planning your wedding reception can be stressful so we aim to make your bar hire as simple as possible.

Based in the historic cathedral city of Salisbury in Wiltshire, our crafty horse wedding bar hire service is available across Wiltshire, Hampshire and other venues upon request.

So wherever you're holding your wedding reception we can be there. We'll bring along everything needed for a unique mobile bar service, including all equipment, our professional staff, all stock and licensing. All you have to do is tell us the details of your wedding, any special touches you'd like us to add and we'll do everything for you and your guests to ensure your experience is memorable.

We do not just provide mobile bar hire we can also cater for inside receptions.

Our drinks merchant allows us access to over 1000 great tasting wines and 100 artisan spirits from all over the world, which allows us to create a unique bespoke menu for your special day.
